## GLOBAL CONFERENCE ON MARITIME STUDIES 2024

# GLOCOMS 2024

Towards a Green and Sustainable Maritime Ecosystem

**Assoc. Professor. Dr. Derlie Mateo-Babiano**

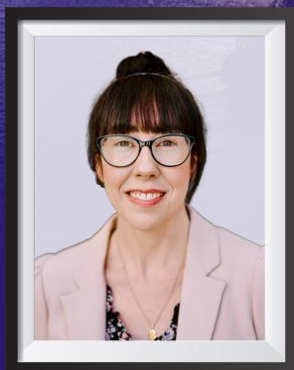

The University of Melbourne, Australia

1

Dr. Iderlina Mateo-Babiano is an Associate Professor in Urban Planning and Assistant Dean of Diversity and Inclusion at the Melbourne School of Design (the University of Melbourne). She is part of the award-winning Place Agency consortium ([www.placeagency.org.au](http://www.placeagency.org.au)).

She has convened the Women in Transport Leadership Knowledge Network ([www.witl.info](http://www.witl.info)) and led several placemaking workshops, resulting in productive collaboration to advance positive transport- and place-based change.

Her latest books are *Placemaking Sandbox: Emergent Approaches, Techniques, and Practices to Create More Thriving Places* (Palgrave MacMillan, 2020) and *Parking: An International Perspective* (Elsevier, 2020).

**Dr. Sarah Lothian**

University of Wollongong, Australia

2

Dr. Sarah Lothian is a lecturer and academic barrister at the University of Wollongong at the Australian National Centre for Ocean Resources and Security (ANCORS).

Her research focuses on developing a new Implementing Agreement to the United Nations Convention on the Law of the Sea, which will be dedicated to the conservation and sustainable use of marine biological diversity in areas beyond national jurisdiction (BBNJ).

A recent book, *Marine Conservation and International Law: Legal Instruments for Biodiversity Beyond National Jurisdiction* (Routledge, 2022), provides a blueprint for an International Legally Binding Instrument (ILBI) for the conservation and sustainable use of marine biodiversity beyond national jurisdiction.

Towards a Green and Sustainable Maritime Ecosystem

### Dato' Seri (Dr) Michael Tio

Chief Executive Officer of PKT Logistics Sdn. Bhd., Malaysia

3

Dato' Seri (Dr. Michael Tio) started showing his potential in business at a young age. His father, Dato' Tio Sook Keo, who founded Port Klang Trading (later renamed PKT Logistics Group Sdn Bhd) in 1974, instilled in him the entrepreneurial gene.

Universiti Malaysia Terengganu's (UMT) Faculty of Maritime Studies has awarded PKT Logistics Group chief executive and managing director Dato' Seri (Dr) Michael Tio an honorary doctorate in management.

This recognition highlights Tio's contributions to the field of logistics management and his dedication to excellence, particularly in his role as a logistics professional who took over the family business when he returned from the United Kingdom in 1996.

### Assoc. Professor. Dr. Mahinda Senerath Bandara Yapa Mudiyansele

Edinburgh Napier University, United Kingdom

4

Dr. Mahinda Yapa Bandara is an academic cum transport economist. He graduated from the University of Peradeniya, Sri Lanka, with a specialisation in economics and obtained a PhD from the National Centre for Ports and Shipping, Australian Maritime College, University of Tasmania.

His main research interests include transport pricing and econometric applications in maritime, port, and transport economics, as well as the Sustainable Development Goals (SDGs) and the transport and logistics industry.

He has also been a Chartered Member of the Institute of Logistics and Transport (CILT) Sri Lanka since 2008 and was Vice President of Education in 2021. During this period, he has engaged in teaching and coordinating research, as well as the career development of undergraduate students.
